ORDERING INSTRUCTIONS

Managing assessment results to inform classroom instruction is by far the most beneficial aspect of an effective assessment program. Riverside Scoring Service provides a number of results-management tools to help your school system get the most out of its assessment program.

Using this Order Form for Riverside Scoring Service (OSS), you can customize score reports to best meet the needs of your school system. Follow the step-by-step instructions to fill out your order form completely. Your local Assessment Consultant can work with you to determine the best results-management program for your school system. If you have any questions, contact your local Assessment Consultant or Riverside Customer Service at 800.323.9540.

As you look through the list of available reporting options on this OSS, please refer to the helpful icons next to each option:

= indicates that this reporting option is primarily for home.

STEP 1: Select One Norm Year and Period.

Normative data represents thousands of students tested across the nation. Scores from the *Gates-MacGinitie Reading Tests* are based on either 1999 or 2006 norms. You can select norms for either year.

STEP 2: Enter Date of School Opening.

STEP 3: Select Universal Reporting Options.

STEP 4: Select Basic Service Plan Options.

STEP 5: Select Additional Reports and Options.

STEP 1

SELECT ONE NORM YEAR AND PERIOD.

- Norm Year
 1999
- Norm Period
 Fall (Before Jan. 1)
 Winter (Jan. 1 to Feb. 29)
 Spring (March 1 or later)
 Quartermonth (interpolated: interpolates the NPR, NS, and NCE, if ordered)

Level AR will be processed using community college norms.

- Norm Year
 2006
- Norm Period
 Fall (Before Jan. 1)
 Winter (Jan. 1 to Feb. 29)
 Spring (March 1 or later)
 Quartermonth (interpolated: interpolates the NPR, NS, and NCE, if ordered)

Level AR will be processed using community college norms.

STEP 2

ENTER DATE OF SCHOOL OPENING.

* / /
 Month Day Year

*Required only if requesting quarter-month norms

STEP 3

SELECT UNIVERSAL REPORTING OPTIONS.

- Exclude students coded in Column Z of the "Office Use" grid.

STEP 4

SELECT BASIC SERVICE iRM™ PLAN OPTIONS.

Your basic service plan includes passwords for the *Interactive Results Manager™ (iRM™)*, the Riverside secure web-based reporting service for *GMRT*, which is automatically included with your scoring and reporting order. It includes summary reports, individual student reports, roster reports, decoding skills data, and more. **Passwords will be sent to the e-mail address indicated on page one of this OSS.** Passwords are provided for system-level, building-level, and class-level access.

Select up to two (2) options for your basic service iRM plan by checking the boxes below:

- Include Local Percentile Ranks and Local Stanines.
- Include Lexile® measures (available at an extra per-student price for Levels 1 through 10/12 and requires completion of the Comprehension Test).

STEP 5

SELECT ADDITIONAL REPORTS AND OPTIONS.

CUSTOM SERVICES AND OPTIONS Order additional services by checking the box in front of each service you want and writing the desired number of copies per grade.	TYPE	INDICATE NUMBER OF COPIES PER GRADE														PHS	SCORES TO REPORT Check the scores you would like reported. If no scores are checked, only underlined scores in bold will be reported.
